INSTRUCTIONS FOR RECIPIENTS

AMENDMENT TO THE ATTACHED CANCELLATION NOTICE

The attached SD Form 106-1 (Cancellation) for DoD Instruction S-5210.68, "Security Classification for Optical Augmentation Information (U)," December 26, 1979, is amended as follows:

The holders of DoD Instruction S-5210.68, "Security Classification for Optical Augmentation Information (U)," December 26, 1979, shall continue to protect the Instruction at the security classification level originally assigned except that the physical principles of optical retroreflection are unclassified. Future classification guidelines should be applied only to specific military systems by appropriate classification authorities.
